INTERESTS

Karate - Competition at national
level and coach
Travels and new cultures
Theme parks

I am interested in ambitious projects, run by dynamic teams in good company cultures, and where I can learn and use various technologies.

Holder of an engineering degree in computer with a start-up oriented background, I wish to put my abilities at the service of the entertainment, high-tech, design or ecological fields.

EXPERIENCE

Android, iOS & Full-Stack Developer

Lawrence Berkeley National Laboratory - MyGreenCar, 2017 - Today

- **In charge of the Android app**
